

Healthwatch Gateshead are your local health and social care champions. We listen to your experiences, and work with service providers to celebrate what's working, and help make improvements where needed.

This year we're focusing on...

- **Autism & ADHD – Gaps in Neurodiversity Support and Information**
- **Dementia Care – Unpaid Carers and Support Needs**
- **Physiotherapy – Challenges for Multiple Needs Patients**

**...and we want to
hear your views!**
